Not present: Michele Crump, Judy Russell, Rachel Schipper, Laurie Taylor, Michele Tennant

Guest: Chris Poehlmann

I Minutes Approval

November 9th minutes were approved and can be posted.

II JSTOR Update – Ben/Cathy

Ben updated the group about what the Statewide Storage Task Force has been working on creating a centralized print archive for the JSTOR collection between UF and FSU. Both colleges are in the process of inventorying their own collections. We have asked what would make everyone comfortable? It was agreed that they could stay on open shelves for building use only. The next step is to figure out how to make all JSTOR materials building use only? Currently there is no end date.

III Budget Allocations Task Force – Peter

Peter is coordinating this task force. He passed out several handouts for the group to review. Please click [here](#) (document 1 & document 2) to review the documents that were briefly discussed during this report.

IV Catalog (Mango) – Denise

The group voted that the JAbbr tool would be added to the catalog tool bar. Denise is going to write up a charge and email it to John for review, after which a GROVER will be submitted to have it added.

V ILL Search Assistant Guide

Ben passed out a document the Interlibrary Loan Extensive Search Assistance Guide. The group discussed the document. [Please click here to review the guide.](#) AGRSSR was asked to approve the document for posting on the web.

VI Electronic Resource Management Working Group – Chris Poehlmann

- a. Chris reported that currently they are manually maintaining an A-Z database list with links that are manually checked periodically. Chris proposed that we start using Serials Solution, who also has an A-Z database list that is checked and updated automatically. The proposal was discussed and approved. The new A-Z list is here: <http://uh7qf6fd4h.search.serialssolutions.com/> and the old list is here <http://www.uflib.ufl.edu/acqlic/olda-zlist.htm>
- b. Sage is changing how their pricing structure works and we've been offered an All Access Package with a 6% increase this year, a 4% increase the following two years. Chris passed out a [list](#) of the titles we'd gain by accepting the package. It was decided that we would have Claire clarify the proposal and try to obtain a better price.

VII Other

Art Store is now up and running. As soon as Ann knows more about the functionality, she'll provide some more information and training.
