Constitution Day commemorates the signing of the U.S. Constitution in 1787 and each year the University of Florida – along with other public funded universities – holds an event to recognize the important occasion. This year’s two-part event was presented jointly by the University of Florida Levin College of Law and Smathers Libraries to highlight the Government Documents Department, located on the first floor of the Marston Science Library, and in cooperation with UF’s Faculty Senate and Academic and Professional Assembly.
